Alan,

I received the attached docs from Adrian Peterson, and upon review noticed that his DOB was incorrectly typed on the Authorization forms. I have requested him to make the changes and provide the list of physicians. I just wanted to let you know where we are on this.

Sincerely,

Dominique, Darren is handling it for the meantime. Darren received the package from the claims accessor on Monday and he is going to draft a response on behalf of Adrian Peterson. I have already notified Tracy Lartigue and I don't think we need to notify Adrian directly at this point.

Darren,

Thank you for taking the time to speak to me. As per our conversation, it seems the insurance provider is laying the groundwork to avoid paying out a claim. I have advised the claims assessor to mail the documents to Heitner Legal in care of Adrian and they agreed to send it directly to you. Tracy Lartigue works closely with Adrian and I will let him know that we will have you respond to the letter and advise of next steps. As always, thank you!

Darren,

We have just received the email and attachments from the claims assessor handling Adrian Peterson's LOV claim. As you know our main concern is having the DeAngelo's "made whole" in this situation, we would like your advice as it pertains to having Empirical sending the attached to Adrian directly, and what our next course of action should be.

I will be awaiting your response to reply to Mary's email as well as advising Adrian what the next steps are. Thank you in advance for your assistance.

Sincerely,
